

# In Memoriam.

*In memoriam of Robert Neilson,  
Esq., of Otonabee, who died April 3rd,  
1883, aged 74 years.*

*He's run his race—gone to the place  
Where we must all soon go :  
In the grave lie, till from on high  
The trump of God shall blow ;  
When all the dead, from the cold bed  
Of death, shall live again—  
Be like their Lord : to life restored—  
With him for ever reign.*

*Gone now is he, where he will see  
Those who have gone before—  
There loving meet, at Jesus feet,  
Their Saviour to adore.*

*Cheering to know, ere he did go.  
His heart was full of love—  
Assured that he, when gone, would be  
With the redeemed above.*

*The family left, of him bereft,  
His all to them resigned,  
Who worthy are—each have a share—  
For they to him were kind.*

*Sixty-three year since he came here  
A home for to obtain ;  
Those of full age, then on life's stage  
Few now alive remain.*

*The pioneers of former years,  
Who, when the country lay,  
In forest wood, the hardships stood,  
Will soon be passed away.*

*A. GRAHAM.*

*Otonabee, April, 1883.*
